

§ 1882.2

under this subpart. Such loans may be used for: (a) Planning, (b) construction and maintenance of public facilities, and (c) provisions for public services.

§ 1882.2 Qualifications.

(a) Any State receiving payments from the Federal Government under the provisions of section 35 of the Act or any political subdivision of such a State that can document to the satisfaction of the Director that it has suffered or will suffer adverse social and economic impacts as a result of the leasing and development of Federal mineral deposits under the provisions of the Act shall be considered qualified to receive loans made under this subpart.

(b) A loan to a qualified political subdivision of a State receiving payment from the Federal Government under the provisions of section 35 of the Act shall be conditioned upon a showing of proof, satisfactory to the Director, by the political subdivision that it has legal authority to pledge funds payable to the State under section 35 of the Act in sufficient amounts to secure the payment of the loan.

§ 1882.3 Application procedures.

No later than October 1 of the fiscal year in which a loan is to be made, the State or its political subdivision shall submit to the Director a letter signed by the authorized agent requesting a loan. The authorized agent shall furnish proof of authority to act for the State or political subdivision with the application. Such letter shall constitute a formal application for a loan under this subpart and shall contain the following:

(a) The name of the State or political subdivision requesting the loan.

(b) The amount of the loan requested.

(c) The name, address, and position of the person in the State or political subdivision who is to serve as contact on all matters concerning the loan.

(d) A description and documentation of the adverse social and economic impacts suffered as a result of the leasing and development of Federal mineral deposits.

(e) An analysis and documentation of the additional expenses generated as a

result of the leasing and development of Federal minerals.

(f) Proposed uses of the funds derived from the loan.

(g) Evidence that the loan and repayment provisions are authorized by State law.

(h) The Director may request any additional information from the applicant that is needed to properly act on the loan application. The applicant shall furnish such additional information in any form acceptable to the applicant and the Director. No loan shall be granted unless such additional information is timely received by the Director.

§ 1882.4 Allocation of funds.

If applications for loans exceed the funds appropriated for such purpose, loans shall be allocated among the States and their political subdivisions in a fair and equitable manner, after consultation with the Governors of the affected States, giving priority to those States and political subdivisions suffering the most severe social and economic impacts. The allocation of funds under this section shall be the final action of the Department of the Interior.

§ 1882.5 Terms and conditions.

§ 1882.5–1 Tenure of loan.

Loans shall be for a period not to exceed 10 years. Loan documents shall include a schedule of repayment showing the amount of the principal and interest due on each installment.

§ 1882.5–2 Interest rate.

Loans shall bear interest at a rate equivalent to the lowest interest rate paid on an issue of at least \$1 million of bonds exempt from Federal taxes of the applicant State or any agency thereof within the calendar year immediately preceding the year of the loan. Proof of each rate shall be furnished by an applicant with its application.

§ 1882.5–3 Limitation on amount of loans.

Total outstanding loans under this program for qualified States or their political subdivisions shall not exceed the total amount of the qualified
